Terry Kaszas
GM of CAA Travel | SK

“I’ve been to Switzerland a few times now. The country is full of amazing surprises. Sometimes when you think of Switzerland, you think of snow. I was in a small hilly village for an overnight stay a few years ago. With the lights of the village lining the roads... It was truly one of the most magical sights I have ever seen. And don’t forget the history, culture and of course the chocolate!”

Amanda Uhryn
Travel Consultant | Regina North

“Spain is one of my favorite destinations in Europe. The history, culture, food, and, of course, sangrias just can’t be beaten! There are so many cool places to visit! It’s a bucket list must!”
